

Panther Fans

No home games in September, so we need your support at neighborhood fields. Come help us defeat Parish (Alpha west of Midway).

We will be auctioning off an Apple iPod every game and an iPhone at our last game v Samuell on November 7th at Franklin Field.

All tickets sold during the year will accumulate towards the following weeks prize, the catch is you **MUST** be present to win. If we call your name and your not present, you cannot win. You can only win one iPod per season.
